

This technical drawing shows an exploded perspective view of a mechanical assembly. The components are labeled with numbers 1 through 15. Part 1 is a rectangular housing with mounting holes (8, 9, 10) and internal features (2, 6, 7, 11). Part 2 is a small cylindrical component. Part 3 is a large cylindrical component with a flange. Part 4 is a small cylindrical component. Part 5 is a small cylindrical component. Part 6 is a small cylindrical component. Part 7 is a small cylindrical component. Part 8 is a small cylindrical component. Part 9 is a small cylindrical component. Part 10 is a small cylindrical component. Part 11 is a small cylindrical component. Part 12 is a small cylindrical component. Part 13 is a large cylindrical component with a flange and a threaded section. Part 14 is a small cylindrical component. Part 15 is a small cylindrical component. The assembly is shown in a disassembled state, with the components arranged to show their relative positions and how they fit together.
